Exciting News!

We are delighted to announce that Aspen Junior School has successfully registered as a **Pearson Examination Centre under registered centre number 98375**. Year Theme: *Science Without Borders*

This year's theme is "*Science without Borders.*" In preparation for our grand **Science Fair and Graduation Day in term 3 for the students sitting the Pearson Assessments in October 2026**. students have been given homework assignments to work on.

In relation to our theme, all pupils are bringing homework; For Early years – All subjects' revision and Years 1 to 7, they have a project to work on. We encourage parents to participate by taking pictures and videos of their children's projects and uploading them to **Google Classroom** as written on the homework paper and sent to the email.
